Travel Checklist

- bullet Printed itinerary - Please print this information and take it
with you on your trip.
- bullet Photo ID - Every air passenger must have a valid
government-issued photo ID (e.g. driver's license or passport). The
name on the photo ID must match the passenger name in the reservation.
Once the ticket has been issued the name on the ticket cannot be
changed.
- bullet Secure Flight Information - required by the TSA for all
travelers. If you provided this information, we have already added it
to your reservation. If you did not provide Secure Flight information
for all travelers, you must contact the airlines and provide this
information to them at least 3 days before traveling. If you do not
provide this information, the airline may refuse to issue a boarding
pass to you, or may cancel your booking.
- bullet International Travel - Customs and immigration require certain
documents for travel to and from a foreign country. It is the
passenger's responsibility to travel with the required documents . No
refunds will be made if improper documentation results in denied
boarding or entry.
- bullet Entry to U.S. - All U.S., Canadian, Mexican, and Bermudian
citizens must carry a valid passport or other accepted secure document
to enter or re-enter the United States.
- bullet Flight information - Check for flight and gate updates prior to
your departure. Some airlines allow you to pre-print your boarding pass
with an online check-in feature.
- bullet Schedule changes - The airline may change your flight itinerary
at any time. If we are notified of an itinerary change, we will contact
you by email and/or phone. If the airline has not provided you with an
acceptable alternative itinerary, our agents will try to re-accommodate
you according to the airline's policy and availability.
- bullet Security Procedures - Check the TSA Web site (www.tsa.gov) for
the most up-to-date information about security procedures. If you are

- departing from a non-U.S. airport, be sure to check that airport's security policies and pack accordingly.

General Policies

Ticket is non-refundable.

If Travel Protection has been purchased it is non-refundable.

Please review your itinerary immediately. If any issues arise before or during your trip you must call us right away. Why? We work with our suppliers to resolve your concerns, so the only opportunity we have to help you is before your trip ends. If you wait until you return, it's too late.

There are times when we are unable to confirm a reservation. In the rare event that this occurs, we will attempt to reach you by phone and email so that we can re-accommodate you. You must call us back within 48 hours or we may not be able to honor your original booking price.

Travelocity fees and airline charges will be shown as separate items on your credit card statement. Airline charges may also be listed separately for each passenger.

Change Policies

Some tickets do not allow any changes. Ticket changes also have airline penalties and/or increased fares. If your ticket is changeable, any changes must be made prior to departure. Airlines will charge a fee to use your ticket as credit for a new ticket purchase. This fee varies by airline, market, and specific fare rules, and may be \$150 or more for domestic tickets and \$200 or more for international tickets.

If you fail to show up for any segment of your flight itinerary, the airline will automatically cancel the remainder of your flights and they will lose all monetary value. You will not be entitled to a refund for any unused portions of your flight travel.

Cancellation Policies

If you cancel you will not receive a refund. You must cancel your reservation prior to departure to retain any ticket value. Depending on the airline and fare rules, the residual value that is remaining may be eligible to be applied to future travel, providing the cancellation, rebooking, and re-ticketing of your reservation is at least one day prior to your originally scheduled date of departure.

Airlines usually deduct \$150 or more for domestic tickets and \$200 or more for international tickets before determining if there is any value that can be applied toward future travel.

Domestic Flight Notice

Air transportation to be provided between points in the U.S. (including its overseas territories and possessions) is subject to the individual contract terms (including rules, regulations, tariffs and conditions) of the transporting air carriers, which are herein incorporated by reference and made part of the contract of carriage.

Where this coupon is issued for transportation or services other than air travel, specific terms and conditions may apply. These terms and

conditions may be included in the ticket set or may be obtained from the issuing company or agent.

Please make sure you have reviewed the important legal notice entitled "Conditions of Contract", "Notice of Incorporated Terms", "Notice of Baggage Liability Limitations", and "Notice of Overbooking" in Terms & Conditions of Travel or the specific terms and conditions relating to non-air transportation or services.

The Terms & Conditions of Travel will also be available at the airport prior to your flight departure.

International Flight (Warsaw Convention) Notice

If the passenger's journey involves an ultimate destination or stop in a country other than the country of departure, the Warsaw Convention may be applicable and the Convention governs and in most cases limits the liability of carriers for death or personal injury and for the loss of or damage to baggage.

See also the notices entitled "Advice to International Passengers on Limitation of Liability" and "notice of Baggage Liability Limitations" Terms & Conditions of Travel.
